SPONSORSHIP PROSPECTUS

Healing Our
Spirit Worldwide

TE RAU MATATINI

The eagle, symbolizing protection, strength and courage, embraces mother earth to celebrate the healing of our spirit worldwide.

The Seventh Gathering will take place alongside the Waikato River. Taniwha may be considered highly respected kaitiaki or guardians of people and places. Taniwha can also refer to chiefs and the famous saying of the Tainui people of the Waikato district plays on this double meaning saying, "*Waikato taniwharau, he piko he taniwha, he piko he taniwha*" or *Waikato of a hundred taniwha, a taniwha on each bend*. There is a powerful chief on each bend of the Waikato River and this underlines the mana of the Waikato people.

Te Rau Matatini has formed strategic relationships with Waikato-Tainui Te Kauhanganui and the University of Waikato to host Healing Our Spirit Worldwide - The Seventh Gathering.

About The Seventh Gathering

Schedule

Pōwhiri/Welcome:

Sunday 15 November 2015

The Seventh Gathering

Monday 16 November –

Thursday 19 November 2015

The Theme of The Seventh Gathering is Mauri Ora

Background: Healing our Spirit Worldwide

Healing Our Spirit Worldwide is an indigenous movement which began in Canada in the 1980s to address the devastation of chemical abuse and dependence among indigenous people around the world.

The first Gathering in Edmonton in 1992 attracted 3,500 people from 17 countries. The first and subsequent Gatherings have been a cultural and spiritual movement celebrating the tenacity and resiliency of indigenous peoples around the world in their struggle against alcohol and drug abuse. This has been achieved through the development of successful proven models and programmes. Health and governance issues in relation to substance abuse have been a more recent focus of the Gatherings.

The overarching theme MAURI ORA.

MAURI ORA means life force, a positive state of being, a continuous energy flow, life, good health and vitality. MAURI ORA is about the health and wellbeing of indigenous communities flourishing in positive directions.

There are four key themes within MAURI ORA.

These are:

- Indigenous Leadership
- Indigenous Solutions
- Indigenous Potential
- Indigenous Futures

Programme

These four themes are strengths-based and forward focused in their approach. The Seventh Gathering is about building the capacity of indigenous leaders, highlighting and celebrating indigenous solutions, and realising indigenous potential for healthy flourishing futures.

Development of the 2015 Programme has commenced with the formation of a strategic partnership between Te Rau Matatini, Waikato-Tainui Te Kauhanganui Inc and the University of Waikato. These key strategic partners are working with the International Indigenous Council for Healing Our Spirit Worldwide (IICHOSW) to develop the programme and invite abstracts from international indigenous communities. These groups will also focus on the identification of keynote speakers, workshop presenters and facilitators.

Key elements of the programme will include:

- Pōwhiri, welcoming ceremony
- Approximately 120 presentations and workshops from international and indigenous communities
- Cultural performances, workshops and presentations
- Symposiums for Rangatahi (teens and young people), Kaumatua (elders) and festival of performing arts
- The Seventh Gathering dinner and closing ceremony – a showcase of indigenous culture.

Destination – 2015

Kirikiriōroa | Hamilton
Aotearoa | New Zealand

In December 2011 the International Indigenous Council for Healing Our Spirit Worldwide (IIC for HOSW) invited New Zealand to host its Seventh Gathering. Te Rau Matatini was pleased to enter into the relationship with IICHOSW to lead the hosting of this Gathering.

Hamilton City will play host to Healing our Spirit Worldwide – The Seventh Gathering from 15 November 2015 – 19 November 2015.

Hamilton bridges the mighty Waikato, the longest river in New Zealand. The city has a welcoming spirit, rich history, and thriving cultural scene with easy access to iconic and boutique attractions. In the heart of the North Island and the hub of the region, Hamilton is close to other major cities Auckland, Tauranga, Rotorua and Taupo.

Opening Ceremony

**Tūrangawaewae Marae,
15 November 2015**

A pōwhiri, Māori welcome, will be held at Tūrangawaewae Marae on Sunday 15 November 2015 and will be hosted by Waikato-Tainui Te Kauhanganui. This event will officially open the Gathering.

Tūrangawaewae Marae is located in the town of Ngāruawāhia in the Waikato region of the North Island of New Zealand. A very significant marae, it is the headquarters for the Māori King Movement (Te Kingitanga) and the official residence and reception centre of the head of the Kingitanga.

Main Venue

**University of Waikato
and The Village, 16 – 19
November 2015**

The University of Waikato will be the host venue from Monday 16 November to Thursday 19 November 2015.

This is a state of the art facility with multiple locations for presentation and workshops and catering.

The Village will be a unique feature at the venue, situated on the playing fields in the heart of the University campus. There will be a fabulous marquee village, including a large 'plenary size' tent and multiple smaller tents with exhibition stands intermingled with cultural components to maximise exposure to attendees.
